

Let's Pay Our Way!

It Takes More Than a Lobbyist to Influence Legislators

The Unified Legislative Committee would like to encourage every member of our profession to contribute to the Unified's ChiroPac. If every chiropractor in Oklahoma would give just \$10.00 per month, we would have \$72,000.00 per year, and almost \$150,000.00 per election to help our friends in state public office. **JUST \$10.00 PER MONTH!!!** Don't think someone else will do your part for you. Take the responsibility and contribute today. Get involved with the Unified Chiropractic association and a national organization. **APATHY IS KILLING US!** If you already contribute individually to your state representatives, let them know that you support the Unified OSCA/JCA legislative agenda and make sure you inform the JCA/OSCA Unified Chiropractic Association at 918-224-6078 who those legislators are so we can use your influence in key situations. Our profession depends on every one of us doing our part.

A one-time \$200.00 contribution or \$20.00/mo. electronic funds transfer (EFT) will entitle you to one-year free membership to the Unified Chiropractic Association. Please use the authorization (below) to contribute by monthly electronic debit, or fill out the form for single mail-in contributions. Please remember we cannot accept corporate money per the Ethics Commission rules.
